R-169

Durable medium-duty impact gloves, offering wearers excellent coverage and cut resistance

Impact | Abrasion Protection | Cut | Medium Duty

Durable medium-duty impact gloves, offering wearers excellent coverage and cut resistance

- **Specialized defenses:** RINGERS® R169 impact protection gloves have been developed with Ringers' F3 Technology™ and a patented TPR (thermoplastic rubber) design, protecting the knuckle, thumb and fingers
- **Enhanced features:** They feature a hook and loop rubber pull tab closure, for a secure cuff with an adaptable fit, while a seamless index finger design further protects areas prone to wear and tear
- **Advanced defenses:** These RINGERS® gloves are rigorously tested, meeting ANSI/ISEA 138-2019 Level 2 for impact protection
- **Improved durability:** Premium synthetic leather has been used in these cut-resistant gloves' palm construction, enhancing durability

Industries

- Manufacturing
- Mining
- Oil and gas
- Automotive Aftermarket
- Machinery and Equipment
- Metal fabrication
- Utilities

Applications

- Makeup and breakout tools
- Assembly of parts
- Unloading and stacking pipe
- Preparation of site - unloading of lines and valves
- General pumping work
- Handling of tools
- Heavy machine operation
- Maintenance
- Scaffolding
- Loading and hauling
- Primary assembly
- Mounting and dismantling
- Seizing rough blocs and cylinders
- Production line support & maintenance

R-169

Durable medium-duty impact gloves, offering wearers excellent coverage and cut resistance
