R-133

Tactile and secure cuff automotive glove.

Multi Purpose | LD Light Duty

Touchscreen-compatible synthetic leather safety gloves, combining grip and durability

- **Enhanced features:** RINGERS® R133 automotive gloves feature a hook and loop TPR pull tab closure, for a more secure fit around the wrist, while touchscreen-compatible thumb tips, index and middle fingers make for everyday practicality
- **Increased comfort and flexibility:** Soft, yet durable, mesh fabric at the top of the hand and lightweight material between the fingers ensure dexterous comfort and flexibility
- **Improved grip and durability:** RINGERS® R133 safety gloves' premium synthetic leather split-palm construction and wraparound index finger design enhance their grip performance and durability

Industries

- Automotive
