R-085

Advanced impact and cut protection gloves, offering dexterous, comfortable hand protection

Impact | Abrasion Protection | Cold | Cut | Light Duty

Versatile impact and cut protection gloves, ensuring dexterous, comfortable hand safety

- **Specialized protection:** RINGERS® R085 work gloves' patented TPR (thermoplastic rubber) design, developed with F3 Technology™, ensures knuckles, thumb and full length of fingers impact protection
- **Advanced defenses:** A breathable knit shell ensures high-level cut resistance
- **Elevated comfort:** Their fleece-lined design keeps hands warm and comfortable in cold conditions, for versatile hand protection
- **Heightened grip:** These RINGERS® gloves' half-dipped nitrile palm coating, with a sandy finish, enhances wet and dry grip
- **Improved durability:** Their integrated TCR patch limits wear and tear
- **Enhanced features:** A high-visibility design improves hand safety, while touchscreen-compatible thumb tips, index and middle fingers enable safe technological interaction

Industries

- Automotive
- Mining
- Oil and gas
- Manufacturing
- Construction
- Automotive Aftermarket

Applications

- Makeup and breakout tools
- Running tools into the wellbore
- Handling explosives
- Assembly of parts
- Engagement and release of drill string slips
- Unloading and stacking pipe
- Preparation of site - unloading of lines and valves
- Set-up of pressure manifold and tubing injector head
- General pumping work
- Cold Storage
- Scaffolding
- Loading and hauling
- Assembling and mounting components

R-085
