R-266

Insulated waterproof impact gloves, ensuring warm, dry heavy-duty hand protection

Impact | Cold | Abrasion Protection | Cut | Heavy Duty

Insulated waterproof impact gloves, ensuring warm, dry heavy-duty hand protection

- **Specialized protection:** RINGERS® R266 work gloves' patented TPR (thermoplastic rubber) design, developed with F3 Technology™, ensures knuckles, thumb and finger-length impact protection
- **Strengthened grip:** A Kevlar®-stitched synthetic leather palm, with a special grip patch system, offers excellent grip in varying conditions
- **Added defenses:** These RINGERS® gloves also feature 100g Thinsulate™ insulation and a proprietary waterproof barrier, for warm, dry hand protection in harsh environments
- **Enhanced features:** Touchscreen-compatible thumb tips, index and middle fingers limit glove removals, for safer technological interaction, while an extended neoprene TPR pull tab wrist closure and increased visibility surface design further enhance workplace safety

Industries

- Mining
- Oil and gas

Applications

- Engagement and release of drill string slips
- Chaining up pipes
- Installation and dismantling of rigs
- Assembly and disassembly of large pipes
- Unloading and stacking pipe
- Preparation of site - unloading of lines and valves
- Set-up of pressure manifold and tubing injector head
- General pumping work
- Preparation of site - set-up and disassembly of tool string
- Handling iron - rigging work
- Handling of tools
- Environmental clean-up and remediation
- Handling iron
- Valve - line maintenance and repair
- Heavy machine operation
- Equipment maintenance and repair
- Pipe handling

R-266

Insulated waterproof impact gloves, ensuring warm, dry heavy-duty hand protection

Key Features

- **Patented TPR design:** Knuckles, thumb and finger-length impact protection
- **Synthetic leather grip patch system:** Secure all-weather grip
- **Waterproof barrier and 100g Thinsulate™ insulation:** Warm, dry hands
