R-113

Tactile automotive glove with slip-on cuff.

Multi Purpose | Abrasion Protection | LD Light Duty

Turbo Plus work gloves, made with comfortable mesh fabric and a durable synthetic palm

- **Heightened comfort and flexibility:** RINGERS® 113 Turbo Plus work gloves are made with soft, yet durable, premium mesh fabric at the top of the hand, for enhanced comfort and flexibility
- **Improved durability:** These RINGERS® gloves feature a durable premium synthetic leather split palm construction, as well as a wraparound finger design resistant to wear and tear
- **Genuine practicality:** Thanks to their slip-on elastic cuff and touchscreen-compatible thumb, index and middle finger design, these work gloves are easy to wear, practical and safe for multiple applications
- **Enhanced dexterity:** Developed with F3 Technology™, with lightweight material used between the fingers, they also make for highly dexterous protective gloves
