

# SANDEL® TRIP-NO-MORE™

FLUID & TRIP MANAGEMENT

## Bright orange cord alert designed to reduce trips and falls

The Trip-No-More product line offers a simple, cost-effective solution to reduce trips and falls in the O.R. Trip-No-More serves as a beacon so healthcare personnel can see where cords and tubes are located and avoid tripping over them.

Adhesive strips hold the product firmly in place but avoid leaving residue on O.R. floors.

**Now available in wider sizes!** Trip-No-More is now available in a 10" width and a 12" width to cover greater numbers of cords and larger-diameter cords and tubes.

### KEY FEATURES & BENEFITS

- Available in 8", 10" and 12" widths
- Easy to apply and remove
- Disposable to help prevent cross-contamination
- Cost-effective
- Bright orange and highly recognizable
- Glow in the dark option available

### SANDEL

#### Anticipate the Unexpected

Through collaboration with clinical professionals, SANDEL® products are designed to address key high-risk issues affecting healthcare workers. Its signature high-visibility orange products and premium anti-microbial technology equip caregivers in the healthcare environment to do their job safely while improving outcomes.
