

R-267

Heavy-duty, oil-resistant impact gloves with a Silicone Dot[®] palm for enhanced grip

Impact Abrasion Protection

Heavy-duty, oil-resistant impact gloves with a Silicone Dot® palm for enhanced grip

- Advanced defenses: RINGERS® R267 safety gloves feature a Silicone Dot® grip system on the palm, offering oil resistance with enhanced grip, for hand protection you can depend on
- Specialized protection: These RINGERS® gloves' F3 Technology™ and patented TPR (thermoplastic rubber) design ensure impact protection for knuckles, thumb and full length of the fingers, delivering excellent dexterity and comfort
- Enhanced features: These impact protection gloves are equipped with increased visibility, extended airprene wrist closure, ensuring increased wearer safety, while the Kevlar™ stitched palm enhances their durability

Industries

- Manufacturing
- Oil and gas

Applications

- Engagement and release of drill string slips
- Chaining up pipes
- Installation and dismantling of rigs
- Hydraulic repair
- Re-fuel oil fluid and diesel
