R-163

Durable impact protection with comfortable padded palm.

Impact | Abrasion Protection | Chemical Protection | Cut | Vibration | LD Light Duty

Touchscreen-compatible impact protection gloves, with a padded palm for improved comfort

- **Specialized protection:** RINGERS® R163 impact gloves are developed with F3 Technology™ and a flexible-knuckle TPR (thermoplastic rubber) design, for hand protection without sacrificing dexterity and comfort
- **Improved durability and grip:** They feature a synthetic leather padded palm – enhancing comfort, grip and wear life – and a wear and tear-resistant wraparound index finger
- **Enhanced features:** These RINGERS® gloves also boast touchscreen-compatible thumb tips, index and middle fingers, reducing the need for frequent glove removal and improving workplace safety
- **Heightened defenses:** Their reinforced thumb, index and middle fingertips, coupled with a secure hook and loop rubber pull tab cuff closure, make for greater overall hand safety

Industries

- Manufacturing
- Mining
