

# **R-113**

Tactile automotive glove with slip-on cuff.

# Turbo Plus work gloves, made with comfortable mesh fabric and a durable synthetic palm

- Heightened comfort and flexibility: RINGERS<sup>®</sup> 113
   Turbo Plus work gloves are made with soft, yet durable, premium mesh fabric at the top of the hand, for enhanced comfort and flexibility
- Improved durability: These RINGERS<sup>®</sup> gloves feature a durable premium synthetic leather split palm construction, as well as a wraparound finger design resistant to wear and tear
- Genuine practicality: Thanks to their slip-on elastic cuff and touchscreen-compatible thumb, index and middle finger design, these work gloves are easy to wear, practical and safe for multiple applications
- Enhanced dexterity: Developed with F3
   Technology™, with lightweight material used between the fingers, they also make for highly dexterous protective gloves
