

R-665

Premium leather work gloves with TPR impact protection, delivering advanced hand safety

Impact Abrasion Protection

Premium leather work gloves with TPR impact protection, delivering advanced hand safety

- Specialized protection: RINGERS® R665 safety gloves have been developed with F3 Technology™ and TPR impact protection at the knuckles, thumb and the full length of the fingers, for comprehensive personal protection
- Augmented dexterity: These impact gloves are made from premium grain goatskin leather, ensuring comfort and dexterity, while protecting against impact hazards and cuts
- Advanced defenses:These RINGERS® gloves feature an additional palm layer, for truly advanced cut protection that meets EN 388 level E and ANSI/ISEA level A5 cut resistance standards
- Enhanced features: Reinforced seams on the index finger and base of the thumb grant these impact gloves greater durability, while a hook and loop TPR pull tab wrist closure ensures a secure cuff *Not all sizes are available in all regions

Industries

- Manufacturing
